> Hope all is well. My daughter Melissa and I are doing well . My solo musical play The Hebrew Hillbilly is travelling all over the country. I'm singing my remembrance song We Remember at synagogues around the country and it would be a thrill to perform it in Israel. Audiences leap to their feet when I sing We Remember in my show!
> By the way I'm single and if you know a gentlemen who would be suitable for me please let me know.
